- **2 years of career advancement support to get you where you want to go**

“Prior to the program, I doubted myself a lot. Now, I feel more confident in talking about my past experiences, learned how to be a productive member of a team and take more initiative. Being in the Contact Centre Professional program has changed me in a lot of ways, both personally and professionally. Plus, I was successful in landing a good job!”

- Alima I., Customer Service Advisor at Shaw Communications
